**Endorsement of the European Charter for Researchers and commitment to its
implementation via the HR Excellence in Research award process**

Stațiunea de Cercetare-Dezvoltare pentru Legumicultură Buzău (hereinafter referred to as "Vegetable Research and Development Station Buzau") formally endorses the 20 principles of the European Charter for Researchers, and we are committed to implementing these principles in our institution through the HR Excellence in Research award process.

As an organisation dedicated to excellence in research, we prioritise the well-being and career development of our researchers. We recognise the importance of creating a stimulating and supportive environment that fosters researchers' growth, mobility and success.

By engaging with the HR Excellence in Research award process, we aim to embed the Charter's principles into our institutional policies and practices, ensuring a stimulating and supportive environment for our researchers.

Kind regards
